

# Forest and Beach Animals!

Age range: Key Stage 1

Visit us and learn in a beautiful woodland setting on an organic farm a mile from the beach at Beesands. Explore the woodland and use our 'outdoor lab' to analyse findings.

Compare woodland, pond, lake, hedgerow habitats. Learn about the different food chains. Resources available for teachers to use back in the classroom.

Days led by experienced teachers with Forest and Beach  
School qualifications.

Prices start from £150

Curriculum coverage, **statutory** requirements:

identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals

identify and name a variety of common animals that are carnivores, herbivores and omnivores

describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals, including pets)

Forest and Beach is based at the Underwood Discovery Centre in Beeson. Directions: From Kingsbridge direction at Stokenham on the A379 take the right turn at the roundabout signposted to the lighthouse. After about a mile and a half there is a left turn to Beesands and Beeson. Take this turning and then take the immediate right. At the brow of the hill we are on the left.
