

Forest and Beach Habitats!

Age range: Key Stage 1

Visit us and learn in a beautiful woodland setting on an organic farm a mile from the beach at Beesands. Explore the woodland and use our 'outdoor lab' to analyse findings. Compare a range of habitats, woodland, pond, hedgerow, lake and beach all within walking distance. Days led by experienced teachers with Forest and Beach School qualifications.

Prices start from £150.

Curriculum coverage, statutory requirements:

explore and compare the differences between things that are living, dead, and things that have never been alive

identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other

identify and name a variety of plants and animals in their habitats, including micro-habitats

describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food

Forest and Beach is based at the Underwood Discovery Centre in Beeson. Directions: From Kingsbridge direction at Stokenham on the A379 take the right turn at the roundabout signposted to the lighthouse. After about a mile and a half there is a left turn to Beesands and Beeson. Take this turning and then take the immediate right. At the brow of the hill we are on the left.
