

Beeson Orchard Needs You!

AGM:
Saturday 5th
March
10 AM
The Cricket Inn

The Orchard in Beeson is 10 years old (registered Village Green that is but much older before that). After some local householders paid for it to be mown during 2020 it is now back under the management of Beeson Community Orchard Group (BCOG) again and if you are a home owner and/or resident in Beeson this means you, if you wish!

The Group will hold a meeting on **Saturday 5th March, 1000hrs** at The Cricket Inn, you are most welcome. If you are not on the email list (ie you have not received emails recently) please let the current Secretary know:

davidastevens@hotmail.com

Information will also be displayed on Village Notice Board.

We are again seeking kind donations for the upkeep of the Orchard, the main cost being mowing. As a guide in 2018 we raised more than £500 with some people donating £25 a year, others more and others less. Amounts donated are entirely discretionary. Any amount is welcome if you feel able to.

Payment by BACS eases administration but donations can be handed to current Treasurer Liz Robinson at Kandy Tel:
07967116682

HSBC BACS: Sort Code: **40-26-10** Account number: **51478451**

Thank you!
